**STATUS INQUIRY**

Honorable Director of Patents and Trademarks  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

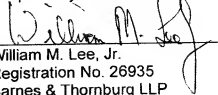

It appears that the Patent and Trademark Office is mishandling this application. Its status is therefore requested.

The PTO shows the status being mailing of a non-final action on August 13, 2009. That, however, is incorrect. On August 13, 2009, the PTO mailed a letter regarding the Power of Attorney for the application (which the PTO has been getting wrong all along). No non-final action was mailed on August 13, 2009, and the current status for the application should show the filing of a response by the applicant on April 28, 2009. Action by the Examiner is therefore long overdue.

Status of the application is therefore requested.

April 28, 2010

Respectfully submitted,
